ABOUT THE MUSICAL

SYNOPSIS

With all the pressures of school and growing up in Singapore, Wendy and her brothers would rather be anywhere else than their stuffy bedroom in Serangoon Gardens. Enter Peter Pan, who promises to take them on an adventure of a lifetime!

So up, up and away they go, journeying towards Neverland – an enchanted island where they never have to grow up. Along the way, they meet Ting Tong Bell's fairy friends, bewitching mermaids and a motley crew of Lost Boys. But they soon discover the dangers lurking in Neverland... in the form of the Buaya-fearing Captain Hook and his fiendish gang of pirates!

Directed by Ivan Heng, Peter Pan in Serangoon Gardens is a brand-new musical with a book by Thomas Lim, lyrics by Joel Tan and music by Julian Wong. Led by Pam Oei as Peter Pan and Siti Khalijah Zainal as Captain Hook, our incredible cast – comprising Singapore theatre's brightest stars and the adorable First Stage Kids – will deliver a show that leaves you thinking Wonderful Thoughts and walking on air!

Everyone can do with a little fairy dust in their lives over the holidays. So come with your family and loved ones to close out the year on a magical high!

CHARACTERS

Peter Pan played by Pam Oei

Peter Pan is the boy who never grows up. No one knows for sure how old he is, or for how long he has been at that age.

Peter lives in Neverland with the Lost Boys, where they have endless adventure and playtime. He claims to be the best at everything.

Ting Tong Bell played by Andrew Marko

Every child has a fairy and Ting Tong Bell is Peter Pan's fairy. She's named Ting Tong Bell because sometimes she can be quite the siao ting tong.

Unlike most fairies, who can sit comfortably in your palm, Ting Tong Bell is unusually large. That's because she got into a fight with a bee and got stung. If you think that's bad, wait till you see what Ting Tong Bell did to that bee.

Wendy De Sousa played by Mae Elliessa

Wendy is a 14-year old Singaporean schoolgirl who lives in Serangoon Gardens with her family. She is not a quite girl, but not yet a woman. Like most schoolchildren in Singapore, she wakes up early in the morning to go to school, and then heads off for CCAs and tuition classes after.

Captain Hook played by Siti Khalijah

Captain Hook is name that strikes fear in Neverland. He likes everyone to know that he is the sophisticated, cheese platter loving, wine drinking, backside scratching Captain Hook. All of that is true, but he is also a ruthless and cunning pirate who hates children, especially Peter Pan.

Children, beware.

Simi played by Dwayne Lau

Simi is Captain Hook's right hand man and longest serving crew member. Ever since Hook lost his right hand, he has been using Simi's right hand.

Daiji played by Benjamin Chow

Daiji is Captain Hook's left hand man. Though he is relatively new, he still plays an important role in making sure the Captain Hook's evil plans succeed!

Catfish and Flatfish played by Andrew Marko and Benjamin Chow

If the only mermaid you know is Ariel, you are in for a big surprise when you see how Catfish and Flatfish look like. We tried to ask them for their photo, but all they gave us was the photo you see on the left.

They can usually be found splashing away at the Mermaid's Lagoon.

HELP TING TONG BELL TRANSLATE!

Fairies have their own secret language - Pig Latin! The problem is, many children don't understand that language. Can you help Ting Tong Bell translate from English to Pig Latin and back?

ENGLISH	PIG LATIN
Pig Latin	Igpay Atinlay
	Aksalay
	Urgerbay
Tampines	
	Everlandnay
Taxi	
Rabbit	
	Ousemay

HOW TO TRANSLATE FROM PIG LATIN TO ENGLISH

The general rule is to translate from English to Pig Latin is to take the first letter, place it at the back and then add an 'ay'.

Let's try to translate some names from the musical. Let's start with '**Peter**'.

First, we take the first letter, '**P**' and we are left with '**Eter**'.

Then, we add '**P**' at the back of '**Eter**' and we get '**Eterp**'.

Finally, we add an '**ay**' at the end of '**Eterp**' and we should get '**Eterpay**'.

Of course, this is just a rule of thumb. As with every language, there are exceptions to this rule. The best way to know for sure is to ask an expert in Pig Latin!

TAKING ORDERS

Part of the job of being a pirate is being able to follow instructions. Simi and Daiji will tell you that it can actually be quite confusing. Here is a set of origami instructions that Captain Hook gave to Simi and Daiji, but without any pictures! Can you figure out what Hook wants?

- STEP 1:** Start with a piece of A4 paper. Orient it vertically with the short side facing you.
- STEP 2:** Fold the top edge to the bottom edge. Make sure the corners align.
- STEP 3:** Fold the left edge towards the right edge to make a center crease then open it up again.
- STEP 4:** Bring the top right corner to the center crease. Do so for the left corner too.
- STEP 5:** There are two rectangular flaps at the bottom. Fold the top flap up. Flip the paper and do the same for the other side.
- STEP 6:** Open the bottom edge of the paper all the way until it forms a square. Fold down on the folds. (The corners of the paper might jut out, just tuck them on top of one another.) Position it such that the open corner is pointing bottom right.
- STEP 7:** There are two flaps at the bottom right corner. Take the top flap bottom right corner and bring it up to the top left corner. Press down on the fold. Do the same for the other side. You should end up with a triangle. Position this triangle with the longest side facing you.
- STEP 8:** Open the bottom edge of the paper all the way until it forms a square. Press down on the folds. Position it such that the open corner is pointing towards you.
- STEP 9:** You should see two triangles, one pointing left and one pointing right. Gently take a triangle in each hand and pull sideways all the way until you get a trapezium.
- STEP 10:** Open up the bottom edge of the paper and make adjustments so that the object can stand. You should end up with something pirates use everyday.

The secret to flying is a little fairy dust and a wonderful thought. Write down 5 of your wonderful thoughts below, you know, the ones that make you happy, feel joyful, excited and make you feel like you are walking on air.

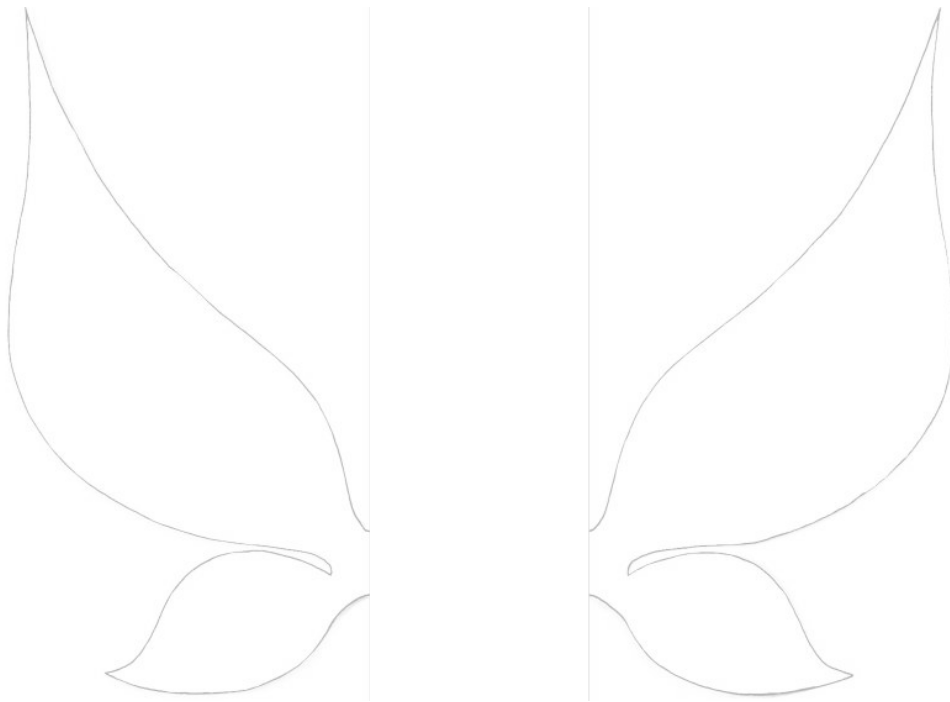

MY WONDERFUL THOUGHTS

Share these wonderful thoughts with your friends and family and ask them what their wonderful thoughts are!

MAKE YOUR OWN FAIRY FRIEND

How to Make Your Fairy Friend:

1. Print the image of the fairy wings below on an art card.
2. Draw in your fairy then colour and design it using coloured pencils, crayons, paint, or any colouring materials you can think of. Don't forget to design the wings!
3. Cut out the fairy using a pair scissors (ask an adult to help you with this) and attach the chopstick to the back of the fairy with tape. Or, use some string and turn it into a Christmas ornament!

CAPTAIN HOOK IN SERANGOON GARDENS

No, don't worry. Captain Hook is not actually coming to Serangoon Gardens. It's just that we have never really heard Captain's Hook side of the story. Strap on his pirate boots and imagine what it is like being the sophisticated, cheese platter loving, wine drinking, backside scratching Captain Hook!

Write down a short version of the story of Peter Pan, if it was told by Captain Hook.

PETER PAN by Captain J. Hook

All children, except one, grow up.
